What do I do if I notice a problem in the neighborhood?

Please report it to PM directly. If you just discuss it with your neighbors, the information may never reach the people who can address the problem. If you tell your neighbor to pass it on for you and they actually do, it has become a game of telephone. By the time the information gets to PM, the details are fuzzy and the answers to the follow up questions are perhaps not accurate. Reports are always best received from the person who directly experienced a problem or issue.

When can I use the amenities?

Seven days a week.
